

Leaving the Country Quest

Earn up to 10,000 followers!

For this quest, you will pick a location outside of the United States that you would like to travel to, and create a project as if you actually went there. There will be some things that you will need to include in telling about your trip, but you can also include some of your own ideas to complete this quest.

Project Ideas: Slides presentation, Doc with written summary, Poster, or any other idea you have that you “OK” with Mr. Armstrong!

Required Items:

- ✓ World map with destination(s) marked
- ✓ Explanation of why you wanted to travel there
- ✓ Summary of your trip (length, who went, places visited, etc.)
- ✓ Detailed description of at least 3 stops on your trip
- ✓ Pictures
- ✓ Overview of the place you visited (climate, culture, common jobs, etc.)
- ✓ Your favorite parts of the trip
- ✓ What you learned

Additional Items:

- ✓ Additional information, interesting facts, recommendations, etc. that you have to add to the list above (Must include at least one additional item)

When you think you have completed this Quest, get it to Mr. Armstrong ASAP. He will then give you feedback if you need to include more to pass the Quest, or notify you that you have passed it!
